## Summary

Recent MCA graduate with a strong foundation in DSA and OOP. Skilled Full Stack Developer with a proven track record in end-to-end web application development. Awarded the 'Start-Up Award' for entrepreneurial spirit. Eager to apply technical expertise, problem-solving skills, and a passion for innovation to drive industry impact.

## Technical Skills

Core Skills: Data Structure, Algorithms, OOPS, Operating Systems, Computer Networks, Git

Programming Languages: Python(Intermediate) Java (Intermediate), C# (Beginner)

Libraries: React.js, Node.js, Express.js

Databases: MySQL, MongoDB

## Professional Experience

### Python AI ML | Technologies Global Pvt.Ltd | Internship

Mar 2023 – Apr 2023

- Enhanced data quality by developing an IPL 2022 dataset cleaning script, improving accuracy and reliability, as measured by increased data consistency and reduced errors.
- Optimized performance analysis and insights by creating player statistics visualizations, resulting in improved team decision-making.

## Projects

### Indoor Navigation System

Mar 2023 – Aug 2023

- Achieved 20% faster navigation at Ms. Ramaiah Institute Of Technology by implementing indoor navigation.
- Leveraged A\* algorithms and ongoing tech expertise for optimization and excellence in navigation solutions.
- Recognized with the "Best Start-Up" award, signifying project excellence and potential for widespread commercial adoption.
- Tech Stack:**C#, Unity, Blender, Photogrammetry, A\* Algorithms

### Hotel Reservation System

Aug 2022 – Dec 2022

- Developed user-friendly hotel reservation system, increasing bookings, and continuously enhancing the platform's capabilities.
- Achieved a 30% boost in search accuracy by enhancing hotel filtering, resulting in an improved user experience.
- Tech Stack:**HTML5, CSS3, Tailwind, MERN, Git, GitHub

## Education

### Master of Computer Application

Ramaiah Institute of Technology, Bangalore, Karnataka

Sep 2023

### Bachelor's of Computer Application

Acharya Institute of Graduate Studies, Bengaluru, Karnataka

Sep 2020

## Awards

- Awarded Best Startup by Institution's Innovation Council

## Certifications

- Certified in Mulesoft Integration by Mulesoft
- Certified Java script programming by Microsoft

## Interest

- Coding, Problem Solving, Reading, Trekking and Trading, Bike Riding.
